

## Disconnects from Dungeon Keeper.

After several, but not all disconnects I ran a speed test.

The bottom test is a test run when I installed the speed test app. You can see all but one disconnects had completely normal internet.

Disconnect	Date time	Download	Upload	Ping
7	3.38pm 14/11/18	43.23	11.12	11
6	1.32pm 14/11/18	44.54	11.19	11
5	7.49pm 13/11/18	44.41	10.96	11
4	6.36pm 13/11/18	2.35	0.11	12
3	4.18pm 13/11/18	44.41	11.18	12
2	12.57pm 11/11/18	44.49	10.88	11
1	11.20pm 10/11/18	44.57	11.33	11
test	1.31pm 10/11/18	44.94	11.53	13

Time zone is GMT

Below are screen shots showing 4 of the matches I lost. These were all simple open heart attacks with I would have won.

I have included the image filename as then you have a time stamp of when these matches were for the logs.

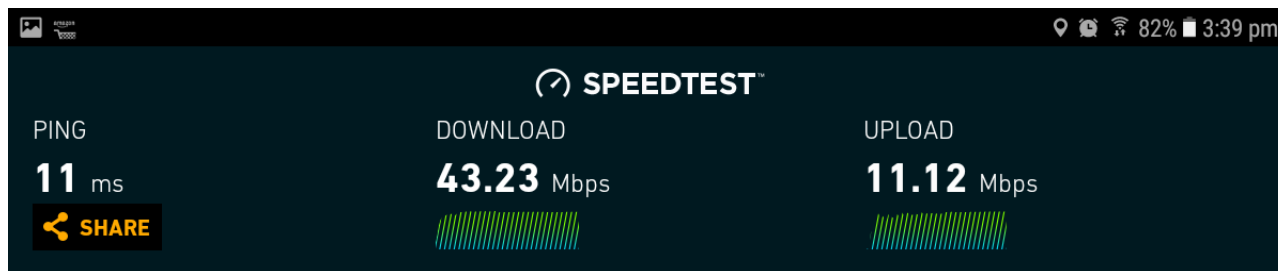

Most of the matches I play in tournament are open heart ones as this gets me decent stars.

I usually get 300-400 star for each of these matches.

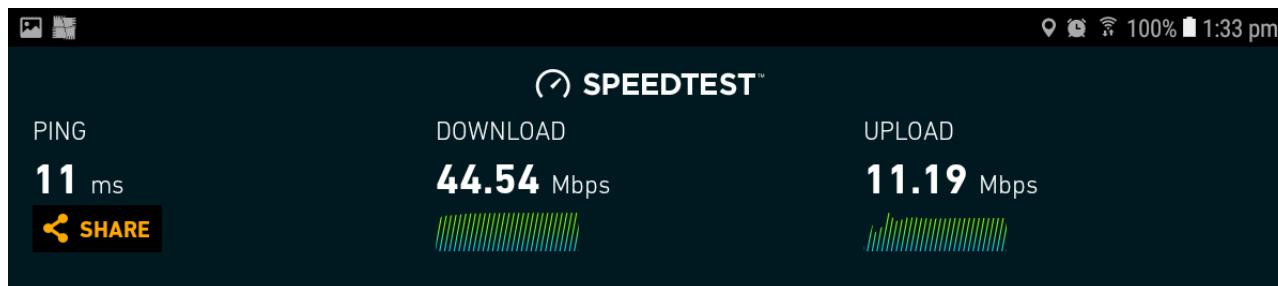

So in this tournament so far I've lost 1,500 – 2,000 stars due to disconnects.
